

Located outside of the District's Governing Board Room

The work of the Foundation for Clovis Schools cannot happen without the support of our donors. Unveiled this September, the new Donor Recognition Wall recognizes donors who have given significant sums of their own financial resources to make the work of the Foundation for Clovis Schools come alive for students and educators. Star Donors recognize businesses' and individuals' cumulative giving over time, and our employee Legacy Givers recognize those who have donated for 10 or more years.
